

Pipette Trade-In

Upgrade Your Pipetting and Save up to 40%

Now is the time to trade-in your old pipettes for the most ergonomic mechanical pipettes available.

Great Savings on New Equipment

- Save up to 40% on your new pipette
- Our pipettes are made to last, meaning fewer replacement ventures in the future

Ergonomics

- Ergonomic design reduces fatigue, resulting in less variation in pipetting results, even during long sessions
- New Picus[®] 2 electronic pipettes with fully electronic operations eliminate most of the physical work required for pipetting
- Reduce the risk of repetitive strain injuries (RSI) in the laboratory

Precise

- Latest technologies, combined with in-house innovation to achieve reliable and accurate pipetting results
- Optimal tip fit and a perfect match with high quality Sartorius tips

Recycle

- Sartorius' professional staff will properly recycle or dispose of your old pipettes, in accordance with local regulations
- Sartorius will collect and recycle your old pipettes for free

Save up to 40%

How It Works

1. Select Old Pipettes for Trade-in
